- (vi) for Options granted to the employees, Consultants or management company employees of the Company, the Company will represent that the Optionee is a *bona fide* employee, Consultant or management company employee of the Company, as the case may be.

8. ADJUSTMENT OF AND CHANGES IN THE OPTION SHARES

- (a) If the Option Shares are at any time to be listed or quoted on any stock exchange or stock quotation system other than the TSX Venture Exchange, to the extent that there are any Options which are outstanding and unexercised at the time of such application for listing, the Option Price, the aggregate number of Option Shares, the exercise period, and any other relevant terms of such Options, and the Option Agreements in relation thereto, shall be amended in accordance with the requirements of any applicable securities regulation or law or any applicable governmental or regulatory body (including the Exchange). Subject to the requirements of the Exchange, any such amendment shall be effective upon receipt of Board approval of it, and the approval of any of the shareholders of the Company or any of the Optionees is not required to give effect to such amendment.
- (b) If the Option Shares, as presently constituted, are changed into or exchanged for a different number or kind of shares or other securities of the Company or of another company (whether by reason of merger, consolidation, amalgamation, recapitalization, reclassification, split, reverse split, combination of shares, or otherwise) or if the number of such Option Shares are increased through the payment of a stock dividend, then there shall be substituted for or added to each Option Share subject to or which may become subject to an Option under this Plan, the number and kind of shares or other securities into which each outstanding Option Share is so changed, or for which each such Option Share is exchanged, or to which each such Option Share is entitled, as the case may be. Outstanding Options under the Option Agreements shall also be appropriately amended as to price and other terms as may be necessary to reflect the foregoing events. In the event that there is any other change in the number or kind of the outstanding Option Shares or of any shares or other securities into which such Option Shares are changed, or for which they have been exchanged, then, if the Board shall, in its sole discretion, determine that such change equitably requires an adjustment in any Option theretofore granted or which may be granted under the Plan, such adjustment shall be made in accordance with such determination.
- (c) Fractional shares resulting from any adjustment in Options pursuant to this Section 8 will be cancelled. Notice of any adjustment shall be given by the Company to each holder of an Option which has been so adjusted and such adjustment (whether or not such notice is given) shall be effective and binding for all purposes of the Plan.

9. PAYMENT

Subject as hereinafter provided, the full purchase price for each of the Option Shares shall be paid by certified cheque in favour of the Company upon exercise thereof. An Optionee shall have none of the rights of a shareholder in respect of the Option Shares until the shares are issued to such Optionee.

10. WITHHOLDING TAX REQUIREMENTS

Upon exercise of an Option, the Optionee shall, upon notification of the amount due and prior to or concurrently with the delivery of the certificates representing the Option Shares, pay to the Company amounts necessary to satisfy applicable withholding tax requirements or shall otherwise make arrangements satisfactory to the Company for such requirements. In order to implement this provision, the Company or any related corporation shall have the right to retain and withhold from any payment of cash or issuance of Option Shares under this Plan the amount of taxes required to be withheld or otherwise deducted and paid with respect to such payment. At its discretion, the Company may require an Optionee receiving Option Shares to reimburse the Company for any such taxes required to be withheld by the Company and withhold any distribution to the Optionee in whole or in part until the Company is so reimbursed. In lieu thereof, the Company shall have the right to withhold from any cash amount due or to become due from the Company to the Optionee an amount equal to such taxes. The Company may also retain and withhold or the Optionee may elect, subject to approval by the Company at its sole discretion, to have the Company retain and withhold a number of Option Shares having a market value not less than the amount of such taxes required to be withheld by the Company to reimburse the Company for any such taxes and cancel (in whole or in part) any such Option Shares so withheld.

11. SECURITIES LAW REQUIREMENTS

No Option shall be exercisable in whole or in part, nor shall the Company be obligated to issue any Option Shares pursuant to the exercise of any such Option, if such exercise and issuance would, in the opinion of counsel for the Company, constitute a breach of any applicable laws from time to time, or the rules from time to time of the Exchange. Each Option shall be subject to the further requirement that if at any time the Board determines that the listing or qualification of the Option Shares under any securities legislation or other applicable law, or the consent or approval of any governmental or other regulatory body (including the Exchange), is necessary as a condition of, or in connection with, the issue of the Option Shares hereunder, such Option may not be exercised in whole or in part unless such listing, qualification, consent or approval has been effected or obtained free of any conditions not acceptable to the Board.

12. AMENDMENT OF THE PLAN

- (a) The Board may amend, suspend or terminate the Plan or any portion thereof at any time, but an amendment may not be made without shareholder approval if such approval is necessary to comply with any applicable regulatory requirement.
- (b) The Board shall have the power, in the event of:

- (i) any disposition of substantially all of the assets of the Company, dissolution or any merger, amalgamation or consolidation of the Company, with or into any other company, or the merger, amalgamation or consolidation of any other company with or into the Company; or
- (ii) any acquisition pursuant to a public tender offer of a majority of the then issued and outstanding Common Shares;

but subject to compliance with the rules of the Exchange, to amend any outstanding Options to permit the exercise of all such Options prior to the effectiveness of any such transaction, and to terminate such Options as of such effectiveness in the case of transactions referred to in subsection (i) above, and as of the effectiveness of such tender offer or such later date as the Board may determine in the case of any transaction described in subsection (ii) above. If the Board exercises such power, all Options then outstanding and subject to such requirements shall be deemed to have been amended to permit the exercise thereof in whole or in part by the Optionee at any time or from time to time as determined by the Board prior to the effectiveness of such transaction, and such Options shall also be deemed to have terminated as provided above.

13. POWER TO TERMINATE OR AMEND PLAN

Subject to the approval of any stock exchange on which the Company's securities are listed, the Board may terminate, suspend or amend the terms of the Plan; provided, that the Board may not do any of the following without obtaining, within 12 months either before or after the Board's adoption of a resolution authorizing such action, shareholder approval, and, where required, Disinterested Shareholder approval, or by the written consent of the holders of a majority of the securities of the Company entitled to vote:

- (a) increase the aggregate number of Option Shares which may be issued under the Plan;
- (b) materially modify the requirements as to the eligibility for participation in the Plan which would have the potential of broadening or increasing Insider participation;
- (c) add any form of financial assistance or any amendment to a financial assistance provision which is more favourable to participants under the Plan;
- (d) add a cashless exercise feature, payable in cash or securities, which does not provide for a full deduction of the number of underlying securities from the Plan reserve; and
- (e) materially increase the benefits accruing to participants under the Plan.

However, the Board may amend the terms of the Plan to comply with the requirements of any applicable regulatory authority without obtaining shareholder approval, including:

- (a) amendments of a housekeeping nature to the Plan;
- (b) a change to the vesting provisions of a security or the Plan; and

- (c) a change to the termination provisions of a security or the Plan which does not entail an extension beyond the original expiry date.

14. AMENDMENT OF EXPIRATION OF TERM OF OPTION DURING BLACKOUT PERIOD

Notwithstanding the date of expiration of the term of an Option determined in accordance with this Plan (“Fixed Term”), the date of expiration of the term of an Option will be adjusted, without being subject to Board discretion and without shareholder approval, to take into account any black out period imposed on the Optionee by the Company as follows:

- (a) if the Fixed Term expiration date falls within a black out period imposed on the Optionee by the Company, then the Fixed Term expiration date is extended to the close of business on the 10th business day after the end of such black out period by the Company (the “Black Out Expiration Term”); or
- (b) if the Fixed Term expiration date falls within two business days after the end of a black out period imposed on the Optionee by the Company, then the Fixed Term expiration date is extended to the date which is the Black Out Expiration Term reduced by the number of business days between the Fixed Term expiration date and the end of such black out period (i.e. Options whose Fixed Term expires two business days after the end of the black out period will only have an additional eight business days to exercise).
